Next event is the third of our Trials this year the Errington Cup. Regulations will be appearing soon on the Club's Website see address above. This will depend on sufficient entries being received by the closing date on the Regs.

After a very well supported skittles event at the famous Tuckers Grave Inn last year, Chris Kelly has booked another one for this Autumn, so let's be having you! It will be a very informal affair with a couple of scratch team matches and finishing up with a round or two of "killer" which usually causes a few laughs. As the pub is now under new management they are not doing bangers and mash as before but we agreed at the club meeting something from their menu which hopefully will be as good or better. To those intending to come; Chris will require numbers by 21st October, please give her a ring on 01225 865497, to let her know.

We are intending to put on another of our "Workers Do's" at the Dog and Fox and the date above has been agreed with the Pub, who have promised not to cancel the event which they famously did last year! By luck and rapid work it was saved at the eleventh hour and we had one of the best meals ever for the "Do" at the Pub. All the usual suspects will be rounded up between now and a couple of weeks before the event based on previous form! Don't worry; you will get your personal invitations.

Well, on into the New Year now, (this one has got some way to go yet); we are hoping to run another of our Annual Club Dinners. No date or venue has been finalised, but the regular team are working on it and I will keep you up to date as soon as things have developed further.

That's about it for now, so, as usual, all the best, Terry P
